## EVENT PROFILE

After the successes of the previous 14 editions, the “15th Meditex Bangladesh 2024”, Bangladesh’s biggest and only International Exhibition on Medical Equipment, Surgical Instruments, Healthcare, Hospital Equipment & Supplies will once again like its previous editions be the most prestigious, successful and exclusive International Exhibition devoted to focus on the entire Medical Sector of Bangladesh and will be a one-stop single platform to showcase from home and abroad the latest developments and emerging technology for the Medical and Hospital Sector of the country. The “15th Meditex Bangladesh 2024” will be the biggest meeting place ever held in Bangladesh for Buyers and Suppliers of Medical / Surgical / Healthcare / Hospital Equipment / Pharmaceutical Products and will also provide an interactive platform for Exhibitors to generate business through displays / direct interaction and will enhance the synergy effect and attract top-level professionals from the Industry thus improving technology, focus and visitors of the expo.

This exhibition is very important for Bangladesh and its Healthcare Industry as a whole as it offers an Industry specific showcase of Hospital, Pharmaceutical & Medical Equipment, Healthcare products, solutions and services from leading companies from across the globe. As the population growth rate is 1.01% and only Bangladesh contains 2.18% of the total population in the world which is more than 167 million people with the density of 1,112 people living per square kilometer seeking better medical services every day, therefore Bangladesh has big opportunities for various medical sectors healthcare companies and professionals in the areas of medical training, ambulance services, retirement homes, medical equipment supplies and rural health services for investment.

Bangladesh hospital expansion programs offer enormous scope for medical equipment manufacturers to penetrate the country's lucrative hospital market, also to mention the huge Government and private investments happening right now in Bangladesh to upgrade the Medical and Hospital sectors.
